Meeting day for
teachers.

* Please make sure all
required medical forms are
turned in.

Welcome parents and students! We are thrilled to be your Kindergarten teachers for the 2023-2024 school year at New Field. This year will be filled with learning, discovery, and fun! Our team strives to make an inclusive environment where each student feels a sense of belonging and excitement when they come to school each day. In September, students are building routines, becoming good listeners, and learning school wide expectations. The theme this month is KINDNESS.

We look forward to seeing you and your kindergartner at Open House, on Thursday, September 7th at 4:00pm.

Emergency Drills

We will be conducting the first round of our emergency drills during the months of September and October. Please tell your kindergartner that these drills are just for practice!

Fire Drills- leaving the school building, in case of a fire.

Lockdown- students remain inside the classroom, away from windows and doors.

Shelter-in-Place- students cover head and keep a crouching position to protect their bodies.

"All Clear"- an announcement conducted after conditions are no longer unsafe.

Please see your kindergartner's teacher if you have more questions.

Essential Teachers

At New Field, we are so lucky to have a great team of Essential Teachers who teach art, technology, music, and gym. Please read their introduction letters by clicking on their name.
