Curriculum Notes

Reading : Students are using Reading Super Powers to learn how to read emergent books. In addition, students are decoding short vowel words (mat, map, sad, etc.) and continue to build sight word knowledge.

Writing: Students are writing show and tell writings with pictures, labels, and a sentence with sight words.

Math: Students are learning about measuring- length, width, volume, and capacity. Also students are counting 1 to 50 & recognizing numbers 0-20.

Parent Tips

- Review your child's report card. Continue to review letters, sounds, numbers, shapes and other items your kindergarten teacher has mentioned.
- Encourage your child to put on their own winter clothes. We will continue to have outdoor recess . Hats, scarves, and gloves or mittens should be worn during the cold months.
