

# NEW FIELD KINDERGARTEN

## MARCH 2024

Ms. Calhoun, Mr. Dickinson, Ms. Welsh, Ms. Rivera, Mrs. Pankratz

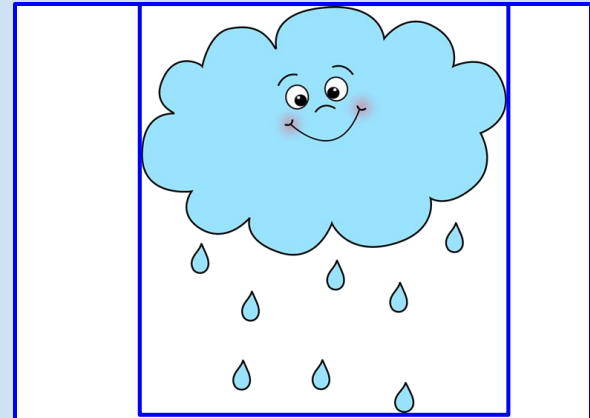

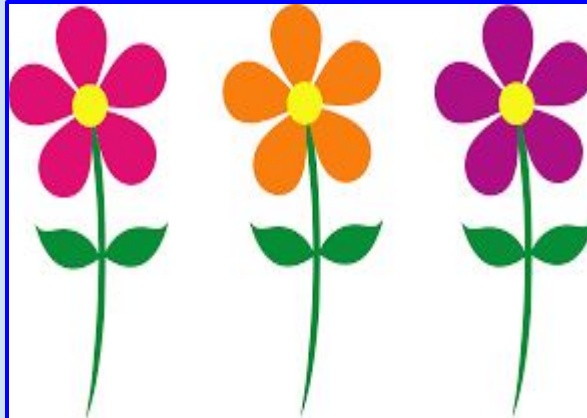

### Important Dates

3/22: Lifeline Theater field trip for rooms 109 & 111.

(Rooms 108 and 113 will attend the Lifeline Theater field trip on 4/5).

4/1: No School. Professional Development day for teachers.

Spring Break 3/25-4/2.  
Classes resume on Tuesday, March 2nd.

### Curriculum Notes

**Reading:** Kindergarten will be finishing Unit 3 of the Reader's Workshop curriculum, then moving to Unit 4. This unit lets the students know that they can be "avid readers", while reinforcing expressive reading strategies.

**Writing:** We will continue writing how-to books that teach others step-by-step with pictures and words.

**Math:** Kindergarten students are learning about and practicing addition and subtraction concepts with number bonds and number sentences/equations.

**Science:** Students are learning about living things and what they need to survive. We are completing our unit on plants and beginning our study of animals.

### Essentials Classes

**Technology:** In March students will learn how to operate BeeBots by creating Codes and Algorithms. Students will also continue their studies around our Digital Citizenship curriculum and completing assignments in their digital platforms.

**Physical Education.:** In P.E. students will be working on basketball skills. We will work on dribbling, passing and shooting.

**Art:** This month Kindergarten students will draw and paint a variety of animals.
