Kindergarten Content

Reading: We continue Unit 4 of the Lucy Calkins reader's workshop curriculum, "becoming avid readers" as students apply reading strategies while reading more difficult and exciting texts!

Social-Emotional Learning: We continue to read social-emotional stories to help students learn how to appropriately solve conflicts.

Writing: Students continue to write multiple sentences and experiment with different writings styles and forms.

Math: Students will solidify verbal counting, counting by tens and understanding base ten blocks in math, as well as reviewing 3D shapes and their attributes.

Science: As we conclude our animals and plants unit, students will learn about weather, climate and the seasons.

Essentials Classes

Physical Education: Students will be working on striking a balloon with various implements such as a tennis racket, bowling pin and more.

Art: Students will be using clay to create pinch pots and painting them. Be sure to check out the All-City Visual Arts exhibit at cpsallcityvisualarts.org!

Music: Students will continue playing singing games and preparing for out end of year concert. Classes will perform at 2:15 P.M. in the cafeteria on the following days. Families are welcome!
Wednesday 5/29 Room 108

Thursday 5/30 Room 109 and Room 111

Friday 5/31 Room 113

Technology: During the last two months of school students will be exploring some new apps and focusing using all their skills they have learned this year!
