### Kindergarten Content

In reading, we continue to work on learning letters and sounds: a, g, d, s, e, r, p, & j. Sight words for the month of October include: my, see, like, & she/he/we. During small groups and Reader's Workshop, we will begin to learn beginning reading behaviors. In math, we are reinforcing the writing of numbers and counting with one to one correspondence with a focus on the numbers 9-14. In writing, we continue to work on drawing, labeling, and adding details.

### October Celebration News

All classes will read the book "Where the Wild Things Are" by Maurice Sendak this month. On Tuesday, October 31, **students can dress in pajamas (no costumes)**, as the main character Max does in this story. Students may bring healthy snacks (**no candy**); please ask your teacher or request a healthy snack list from the office.

### Parent Tip of the Month

Look at the report card and assessments; use this as a guide for working on reading and math foundational skills with your child.

We encourage you to read to your child for 10-15 minutes each day.
