Cards are sent
home

Curriculum Notes

Reading : Students are reading emergent books to reinforce familiar sight words and use picture cues to read words. Also, students are decoding short vowel words (mat, fix, not, etc.) and continue to build sight word knowledge. Some students are working on letter names and sounds.

Writing: As writers, we continue to work on strengthening our illustrations, labels, and concepts of print through **writing sentences**.

Math: Students are learning about measuring- length, width, volume, and capacity. Also students are counting 1 to 50 & recognizing numbers 0-20.

Parent Tip

Encourage your child to put on their own winter clothes. We will continue to have outdoor recess . Hats, scarves, and gloves or mittens should be worn during the cold months. You may want to send a pair of shoes to school if your child is wearing boots.

HAPPY HOLIDAYS!
