Staff members of New Field's J at School Program

Krystal Janigan and Tayler Liedke

Homework time

J at School provides support during homework time and encourages children to complete their assignments. We realize some students will not complete their work or may protest doing their assignments while in our care. We ask that you inform your child and the staff of your homework expectations, so that we can best meet them.

New Field J at School Site phone number

Running late or need to contact us while your child is in our care?

(312) 590-0234

Hours of cell phone operation 3pm-6pm
