

The New Field *Parent Advisory Council* (PAC) presents:  
**Mathematics at Home**

A Parent Workshop presented by New Field Teachers

New Field teachers will share math strategies and activities that you can do at home with your children to help foster a love for math and to get the whole family involved in everyday math activities.

*Families will receive math games and manipulatives to use at home!  
Refreshments served!*

**Thursday, February 15, 2024, 9:00-10:30 a.m.**  
**New Field Cafeteria**
