Dear New Field Elementary Parent or Guardian,

The district was recently made aware of concerns expressed regarding a potential consolidation with Eugene Field Elementary School. Similar concerns have been previously shared with the district and as a part of the district's commitment to integrity, I would like to provide you with an update to ensure transparency.

The district has no plans at this time to change the configuration of New Field Elementary School. Community partnership is a core value of the district and prior to the consideration of any proposal to consolidate the two schools, extensive opportunities for community input and discussion will be provided.

We thank you for your commitment and dedication to the New Field Elementary learning community. Should you have any additional questions or concerns regarding this matter, please do not hesitate to email Mauricio Segovia, our Chief Officer of Network 2, at MESegovia@cps.edu.

Sincerely,

A handwritten signature in black ink that reads "LaTanya D. McDade". The signature is written in a cursive, flowing style.
